Subject: Request for Attendance & Leave Adjustment.

Dear Sir,

I am writing to kindly request an adjustment to my attendance records for May 2026 due to a mix-up.

- On May 8, 2026, I was absent from the office. However, I worked on May 10, 2026, as a swap for that day.
- Additionally, on May 20, 2026, I had a severe headache and was therefore unable to attend the office.

I kindly request that you adjust the attendance records accordingly.

Thank you very much for your understanding and support.

Sincerely,

Al Mamon
